UNVEIL 2 NEW TRACK SCREENSHOTS

Explore the warm Catalunyas' track and the green Netherlands' lands

April 9th 2014, Milano – **Milestone**, one of the most recognized racing videogame developers and publishers for consoles and Windows PC®, releases **the second batch of screenshot** devoted to the two most recognizable tracks of **MotoGPTM**: **TT Assen** and **Gran Premi Monster Energy de Catalunya**.

MotoGPTM14 will be available from **June 2014** on **Xbox 360®** video game and entertainment system from Microsoft, **Windows PC®**, **PlayStation®3**, **PlayStation®Vita** and on **PlayStation®4**.

“Our artist’s team has decided to integrate in MotoGP™14 the same sensations and vibrations that can be perceived and lived on the most fascinating tracks of the MotoGP™ World Championship. I’m not talking just about gameplay or graphics details; I mean the exact sensation of emotions perceived from the environment, lights, scents and atmospheres that characterize a Grand Prix. Each track has unique features that we have expressed on a new and higher level, for a MotoGP™ game, thanks to the new graphics engine and to the Yebis2 introduction. I’m truly positive that by viewing our Facebook’s gallery, all the players will appreciate our latest work”, affirms Andrea Basilio, Game Director Milestone.

TT Assen.

Assen is the only venue to have held a round of the Motorcycle World Championship every year since its creation in 1949. The circuit was purpose built for the Dutch TT in 1954, with previous events having been held on public roads. Modifications to the Assen circuit over the winter of 2005/6 saw the length of the championship’s longest serving track cut from over 6km down to 4.555km/2.83miles.

Gran Premi Monster Energy de Catalunya

In 1989, through the joint collaboration of the Catalan Autonomous Government, the Montmeló Town Council and the Royal Automobile Club of Catalunya (RACC), work began on giving one of Europe’s most beautiful cities a state of the art race track to match. The Circuit de Catalunya opened on the doorstep of Barcelona in September 1991 and welcomed its first international event that same month, hosting the Spanish F1 Grand Prix. It went on to host the European Motorcycle Grand Prix and in 1995 became home to the Gran Premio de Catalunya. Considered to be one of the best designed circuits of the recent era, the Circuito de Catalunya won the much coveted IRTA ‘Best Grand Prix’ trophy for 2001.

MotoGP™14 features tracks and riders from the official MotoGP™ 2014 season, the riders from **MotoGP™ 2013** class and **Champions from the past**, plus **more than 100 riders, all the official manufacturers** and **18 tracks**.

Developed by Italian Milestone Studio, MotoGP™14 will be available from June 2014 on **Xbox 360®**, **Windows PC®**, **PlayStation®3**, **PlayStation®Vita** and on **PlayStation®4**.
